Volunteers Needed

Help Pack 128 GO!!!

The Cub Scout program is staffed with volunteers, and our success depends on family support. If everyone helps with one small part - all the boys benefit. Please help us continue our success! We need you to help Pack 128 GO!!!

Volunteer positions will exist as follows, and there are plenty of resources available to you to assist you with these positions, including assistance from current and former leaders in our Pack. Additionally, there are resources online at the BSA website ([click here](#)) to help guide you as well. It's not as scary or overwhelming as it sounds, and the time that you donate will mean the world to the boys!

If there is a position you are interested in, or if there's something you could do to assist the Pack (assist other leaders, help scouts with specific skills, or anything else you can think of), please email Julie Kaufman, Committee chair at jmkaufma@gmail.com

We are looking for volunteers to start working with the individuals that are currently holding the following positions.

Pack Committee Chair

Pack Treasurer

Pack Award Chair

And obey the Law of the Pack.

On his achievements and projects.
